

# Water Quality Incentive Program (WQIP) Application

Version:

11/27/2020

This application must be completed by a technical staff member (ODNR, SWCD, ODA, PF, USFWS).

Enter all answers in the box designated for each question.

In what County is the CREP project located?

In What 12-digit HUC watershed is the CREP project located?

### Technical Staff Member Information

First and last name:

Job title:

Email address:

### Applicant Information

First name:

Last name:

*(name that would appear on the CREP contract)*

Farm/Business name:

Mailing address:

City:

State:

Zip code:

Phone number:

Email:

### CREP Practice Information

Is the applicant and offered area(s) eligible for the Lake Erie CREP?

*Yes or No*

Is any portion of the offered area(s) not being farmed and/or considered marginal pastureland and is or was previously enrolled in the CRP or the LE CREP?

*Yes or No*

Tract number *(only one tract number per application)* :

CREP Practice *(only 1 practice may be selected; CP22 or CP23 or CP23A)*

### Wetland Practice (CP23 or CP23A) Information *(skip if not applicable)*

Will the wetland receive agricultural drainage?

*Yes or No*

Wetland pool area:

acres

Wetland buffer area:

acres

Wetland watershed area:

acres

Will subsurface tile water free-flow into the wetland?

*Yes or No*

Will a water control structure be incorporated into the wetland design?

Yes or No

Will the wetland(s) be constructed as a 4-sided diked wetland?

Yes or No

Will a pump be utilized to transfer water into the wetland?

Yes or No

**Riparian Buffer Practice (CP22) Information** (skip if not applicable)

Is the riparian buffer located in the 100-year floodplain?

Yes or No

Riparian buffer average width:  feet  
(100 ft. minimum)

Riparian buffer area:  acres  
(3 acre minimum)

**Location Information**

Is the wetland or riparian buffer within 300 feet of a State Scenic River?

Yes or No

**Project maps:** Be sure to attach the following maps applicable to this application.

**Wetland (CP23 and/or CP23A) Project Map:**

Map must contain the proposed CREP boundary, practice name, acreages (wetlands: wetland pool and buffer drawn and labeled separately), nearest road intersection (with roads labeled) on an aerial photo base map.

**Wetland (CP23 and/or CP23A) Watershed Map:**

Map must contain the proposed CREP boundary, wetland pool, and watershed (label acreage) on an aerial photo base map with road names.

**Riparian Buffer (CP22) Project Map:**

Map must contain the proposed CREP boundary, practice name, acreage, 100-year floodplain boundary, nearest road intersection (with roads labeled) on an aerial photo base map.

I, \_\_\_\_\_ have reviewed all of the information contained in this H2Ohio  
(printed name of applicant)

Water Quality Incentive Program application and to the best of my knowledge and belief the information contained herein is true and correct. I further understand that any information included in this application may be used by the Ohio Department of Natural Resources for administrative purposes and all information may be made public. I understand that submission of this application does not guaranty any funding. All funding is subject to legislative appropriations.
