Initial	Description
	Local Sponsor provided me with a copy of the LAEPP Policies & Guidelines.
	Local Sponsor explained the Ohio Department of Agriculture's (ODA) policy of "no subdividing" to me. I understand that all parcels that make up the application will be bound together by one agricultural easement, and that when sold or transferred in the future, all parcels must be conveyed as one unit (including homesteads).
	Local Sponsor explained the Ohio Department of Agriculture's (ODA) homestead policy to me. I understand that one homestead may be reserved if no housing currently exists on the property. The reservation allows for one-single family home to be built in the future. If housing exists on the property at the time of application, then no additional residences may be built. <u>Any future or existing house on the preserved farm may not be subdivided from the farm.</u>
	Local Sponsor explained the Large and Small Farm Exception policies to me.
	My property is engaged in predominantly agricultural activities. I have disclosed to Local Sponsor all non-agricultural activities that take place on this property (including commercial or recreational activities).
