## Native Star Workshop Planned

**MANSFIELD, Ohio-** Join Richland Soil and Water Conservation District for the Native Star Workshop Thursday, November 18, 2021, at 6:30 p.m. in the OSU Extension Buckeye Room at the Longview Center, 1495 W. Longview Avenue in Mansfield.

Participants will make a star ornament from milkweed seed pods and other natural materials from furnished supplies. Noah Cable from Pheasants Forever will be the guest speaker and will discuss the importance of native plants and pollinators. To help with your Holiday shopping, native plant seed packets, gardening gloves and Rain Barrels will be available to purchase at the workshop and they are available tonight. They make great gifts!

Even though the workshop is free, registration is required by November 15. The workshop is limited to 20 participants so sign up right away at <https://bit.ly/3B3epRD> or calling 419-747-8685.

The Richland Soil and Water Conservation District develops, implements, and assists landowners, government agencies and our partners with a wide range of natural resource conservation programs.

Programs and assistance of the Richland Soil and Water Conservation District are available without regard to race, color, religion, sex, gender identity, age, national origin, ancestry, disability, or veteran status.
