

- If receiving points for having up to date soil testing, producers MUST supply the soil tests for review with SWCD staff to discuss results. Tests must be within the last 4 years with at least 1 test for every 25 acres applied.
- Application will be date stamped with received date.
- Applications will follow a ranking process.
- Cap of 200 acres unless fields are above the approved list of MWCD Lakes.
- Seeding will take place by the NRCS specification dates for selected cover crop.
- Provide any necessary requested information to Richland SWCD as needed.
- Agreement to be signed once application is approved and prior to release of payment.

- **Seed must be tested for germination and weed seed content by ODA to be used in this program**
- **Plantings that do not follow NRCS standards such as seeding rates, dates and approved methods will not be eligible for this program**
- **Plantings that are total failures due to herbicide carryover will not receive the approved cost share for that field(s)**
- **Participant will notify the SWCD within 5 days of field(s) being planted.**
- **Land owned by MWCD and leased from MWCD is not eligible for the program**
