Message From The Host

The Area II Envirothon is an Ohio Federation of Soil and Water Conservation District event coordinated by ODA Division of Soil and Water Conservation and hosted by the Richland Soil and Water Conservation District (Richland SWCD).

The Richland SWCD Board and staff appreciate the opportunity to host this event. We wish to thank all those who have donated the site, money, products, talent and time to make Envirothon possible.

We wish all students good luck, good health, and safety today and in the future.

Sincerely,

Richland SWCD Board & Staff

Weather Policy

Rain: The contest will continue outdoors unless lightening is present.

Lightening: All exams will be collected by the Station Monitor. Teams keep scoring sheets. Team Leaders and Monitors will lead teams inside. Teams cannot review study materials. If lightening subsides within 30 minutes, the interrupted test will be noted by Team Leader and teams will rotate to their next ecostation.

Tornado: Local sirens will be triggered. Students will be led inside by the Team Leader to the safest location. If the event cannot continue, a 60 question make up test is ready.
